

## Shelves

Note:  
For Reinforced shelves use suffix "R"  
E.g. FS1915-1R

| FIXED SHELF |
|-------------|
| FS1910-1    |
| FS2310-1    |
| FS1915-1    |
| FS2315-1    |

Shelves are 1U  
in height.

Note:  
For Perforated shelves, use suffix "P"  
E.g. FS1915-1P

| ADJUSTABLE SHELF | SHELF DEPTH |
|------------------|-------------|
| CTSSHV-1922R     | 22"         |
| CTSSHV-1926R     | 26"         |
| CTSSHV-1930R     | 30"         |
| CTSSHV-1934R     | 34"         |

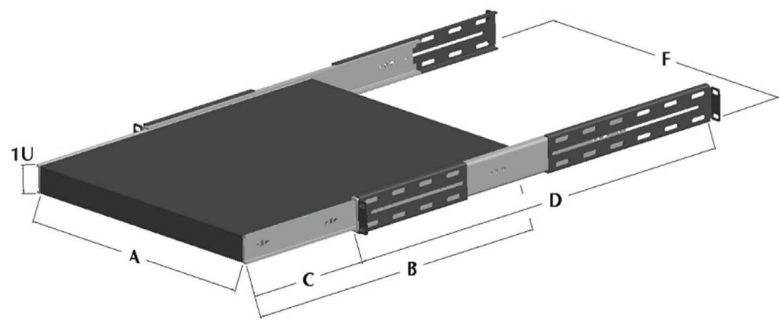

Mounting Requirements, 2 pairs of  
mounting angles.

(A) The saddle section is made from 14  
gage cold rolled steel.

(B) The tray assembly is made from 16  
gage cold rolled steel.

(C) The fully extendable, positive stop  
sliders are ball bearing mounted and  
made of steel for smooth action.
