

Wall Mount Brackets

New double hinged wall bracket folds into a flat pack for shipping, call for details 1-855-475-0275

Features:

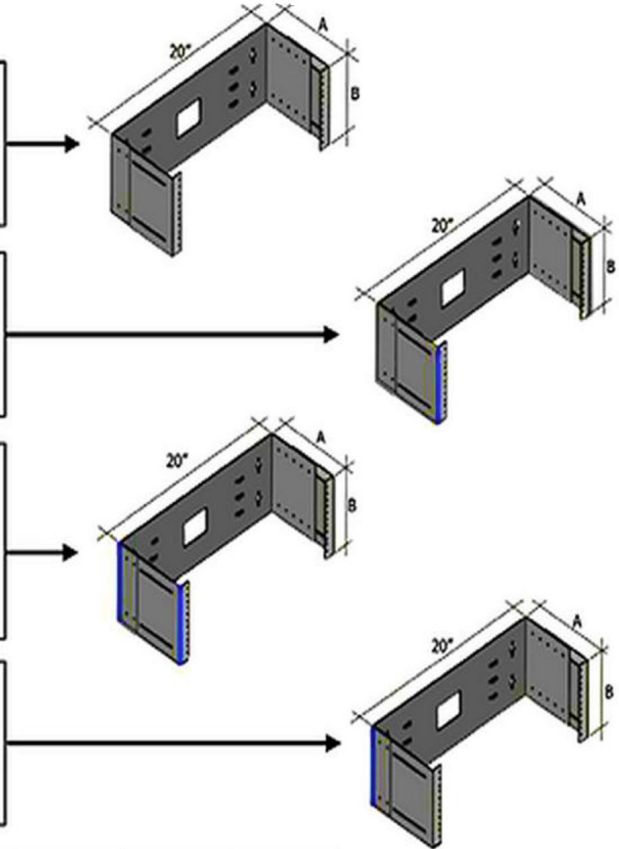

Used to mount 19" patch panels where a cabinet is not ideally suitable. Four models are featured to ensure your needs are fully met. Units are available in adjustable depths of 6"-10" or 12"-16". Custom sizes are available upon request.

WB SOLID BRACKET
A one piece solid bracket for quick and easy installation.

WBHS SOLID BRACKET
A single hinged bracket to allow access to equipment.

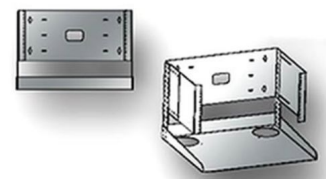

WBHD DOUBLE HINGED BRACKET
A double hinged bracket that allows maximum accessibility and service for high maintenance installations.

WBHSR REAR SINGLE HINGED BRACKET
A single hinged bracket to allow additional access to equipment.
