

## Overhead Cable Management for Cabinets

Cable Trays offer a convenient way of managing cables overhead when running cables between relay racks or cabinets.

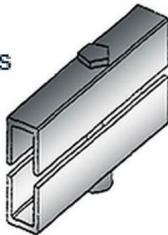

| LENGTH ( FEET ) | WIDTH ( INCHES ) |            |             |
|-----------------|------------------|------------|-------------|
|                 | "6"              | "9"        | "12"        |
| 1"              | RRCL-1-6SP       | RRCL-1-9SP | RRCL-1-12SP |
| 2"              | RRCL-2-6SP       | RRCL-2-9SP | RRCL-2-12SP |
| 4"              | RRCL-4-6SP       | RRCL-4-9SP | RRCL-4-12SP |
| 6"              | RRCL-6-6SP       | RRCL-6-9SP | RRCL-6-12SP |
| 8"              | RRCL-8-6SP       | RRCL-8-9SP | RRCL-8-12SP |
